Dear Community Member:

Over the past several years the Town has been engaged in a process of examining the feasibility of moving the existing Town Yard from Lewis Street and considering a new development district on the property. At Town Meeting 2013, the Board of Selectmen and Planning Board are prepared to advance a Town Meeting Article to establish the Andover Transit Oriented Development District (ATODD). More details on the ATODD can be found at:

On February 21<sup>st</sup>, 7:00 pm, Memorial Hall Library, 2 North Main Street, the Board of Selectmen and Planning Board plan to host their second Community Conversation on the ATODD, where they plan to review the details of the overlay district.

Please come to the February 21<sup>st</sup> meeting to:

- Find out what we have learned about the property and the surrounding area;
- Learn more about what the ATODD could do for this property and the town; and
- Tell us what you think
- Next Steps
